

The image features a bright yellow background with a subtle grid pattern. In the center, there is a large, stylized white logo consisting of the letters 'Y' and 'B' joined together. The 'Y' has a unique, angular design with a small notch at the bottom. The 'B' is also stylized with a similar angular, blocky appearance. Behind the logo, there is a faint, glowing yellow outline of a bat's wings, which is semi-transparent and blends into the background. The overall aesthetic is modern and high-tech.

About Us

About Yellow Bat™

Our Story

Yellow Bat™ is an Asia-based gaming content provider with a rich history spanning several decades. The rich background has made us a trusted and reliable player in the industry. Our team comprises highly skilled professionals who are passionate about creating exceptional gaming experiences for players worldwide.

At Yellow Bat™, we take pride in our ability to innovate and push the boundaries of game development. We are constantly exploring new technologies and trends to bring fresh and exciting gameplay to our players. Our dedicated research and development team works tirelessly to create unique themes and captivating features to keep players engaged and entertained.

With the ever-growing popularity of online gaming, we understand the importance of providing a seamless and immersive experience. Our games are designed to be user-friendly, visually appealing, and optimized for various platforms. In addition, our commitment to player satisfaction is one of our key strengths. We actively listen to feedback and suggestions from our customers and constantly striving to enhance our games to meet their evolving needs.

About Yellow Bat™

Service

We offer comprehensive customer support services with a dedicated team available round the clock to assist players with any queries or concerns they have. Our belief in providing prompt and reliable assistance ensures that our players have a seamless and enjoyable gaming experience.

We are passionate about game development and strive to create memorable and exciting experiences for players worldwide. With our decades of experience, dedication to innovation, and commitment to player satisfaction, we are confident that our games will continue to captivate and entertain players for years to come.

Our Vision

As an Asia-based company, we take immense pride in our ability to bring the vibrant and captivating essence of Asian culture to life through our games. Our ultimate goal is to provide every player with an unforgettable journey where they can fully immerse themselves in the beauty and wonder of our games. Get ready to embark on an extraordinary adventure and experience the magic of our games!

Why Choose Yellow Bat™

API Integration

Our service empowers our partners to connect effortlessly across all platforms. Whether you are looking to expand your customer base, streamline operations, or tap into new markets, our integration solution has you covered.

Comprehensive Support in Multiple Languages

We support multiple languages, providing a localized gaming experience for players.

Prioritizing Player Gaming Experience

We prioritize the players' gaming experience and strive to provide the best possible gameplay and enjoyment.

Extensive Gaming Environment and Safety Security

Our cutting-edge technology ensures 24/7 monitoring throughout the year, providing a seamless game environment for players and ensuring a secure management system.

Support Various Gaming Devices

Enjoy our games smoothly on mobile phones, tablets, and PCs.

Support Multiple Currencies

We support multiple currencies, eliminating any concerns during transactions.

Sexy Joker Deluxe

Free Game & Buy Feature | Video Slot, 1,024 Ways

The Sexy Joker flashes a gentle smile – every spin hides the secret to snatching the grand prize! Each spin holds the chance to trigger the Star Card feature, randomly transforming regular symbols into dazzling Golden Symbols, and sometimes even instantly entering the Free Games. When the Golden Symbols shine and are cleared, they can evolve into two different WILD modes: the first transforms them into magical Blue Jester Hat WILDS, sparking unexpected winning connections across the reels; the second has the chance to upgrade into powerful Red Jester Hat WILDS, which randomly replicate onto other reels, igniting a wild storm of wins! With every consecutive cascade, the payout multiplier soars higher and higher. When 3 SCATTERS appear, you trigger 10 Free Games, with multipliers climbing up to 20X during consecutive wins. The Sexy Joker has arrived – and the rewards are unstoppable!

Tiger Boom

Free Game & Buy Feature | Video Slot, 1,024 Ways

Deep within a forgotten jungle temple, the legendary Tiger King's treasure awaits the brave! When Golden Symbols are cleared, they may awaken one of two powerful WILDS: they can transform into Blue Totem WILDS, sparking surprising winning connections, or evolve into fierce Red Totem WILDS, which randomly replicate across the reels to whip up a cascade storm! The more cascades you trigger, the higher the multiplier climbs, sending the gold-burst frenzy into overdrive! When 3 SCATTERS appear within the ancient temple, you'll unlock 10 Free Games, where cascading wins can stack up to a 10X multiplier. The Tiger King awakens, the treasure surges – and the jungle erupts with unstoppable riches!
